

Year 9 – Revision List

Assessment Window 1: Monday 11 September – Friday 22 September

In this assessment window you will take tests, under examination conditions, in your learning sessions. These tests will be used to work out a grade you are working at now and what we anticipate you will get at the end of Year 11. This will form a tracking report that goes home to your parents and carers. You will use the results from these tests to help inform which subjects you would like to choose at GCSE.

To help you prepare for these tests, each subject has provided a revision list. You will take assessments in

- English
- Maths
- Science
- History
- Geography
- Religious Studies
- Technology
- Spanish

Each subject area will give you more revision material in session time as well as this revision list.

You will also have assessments ongoing in Performing Arts, Business Studies, PE and Art, but not necessarily under formal examination conditions.

How can you prepare for these assessments?

- Use your 40 minute daily tutor time wisely
- Revise for three subjects an evening, for 30 minutes each
- Use 'sam learning' to revise important topic areas
- Get your friends/parents to test you
- Write revision notes and key terms
- Create a revision map for each subject area

Good Luck

Dr S D Beach

Assistant Principal

English

Due to the nature of your Linear Assessments you will be tested on things that you might not have done in lessons for a while; this is to help you prepare for GCSE Examinations where you are tested in a similar way!

To help you revise please use the information below- and don't forget to speak to your Learning Tutor if you feel like you need some help!

Science

Biology

Carbon Cycle
Nitrogen Cycle
Nutrition/Digestion
Classification
Microorganisms
Genetics and Evolution
Respiration
Plants

Chemistry

Heating curves Cooling curves Rates of reaction Reactivity series Alloys Rock cycle

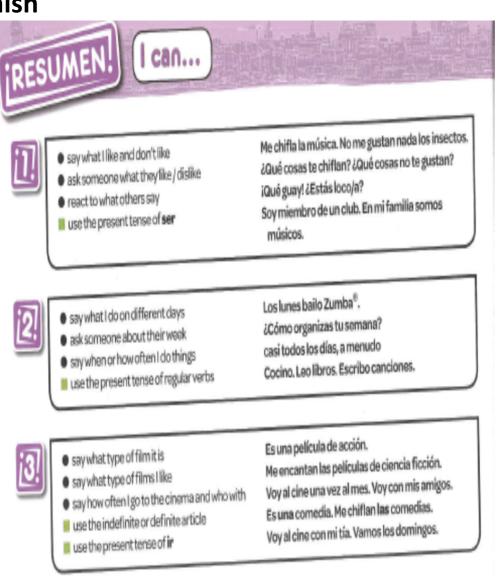

Physics

Space Power/efficiency Thermal energy transfer Magnetism Motion Forces

Geography

- Map skills
- Africa
- Weather and climate
- China
- Coasts
- Deserts
- Tectonic Hazards

Spanish

- say when I am going to celebrate my birthday
- say who I am going to celebrate with
- say where I am / we are going to go
- say what I am / we are going to do there
- say what it is going to be like
- use the near future tense
- s use sequencers

Voy a celebrar mi cumpleaños la semana que viene.

Voy a celebrar con mi familia.

Voy a / Vamos a ir al parque de atracciones.

Voy a / Vamos a montar en una montaña rusa.

¡Va a ser guay!

Voy a jugar al paintball. iVa a ser genial! primero, luego, más tarde

- s use listening strategies:
 - -listen for clues in background noises
 - -use picture and text clues to make predictions before listening
 - -listen for indirect information
 - -listen for time markers and tenses

- \$ use reading strategies to understand authentic texts:
 - -use the task or questions to help me search for key words
 - -read a text for gist to get an overall idea of its theme
 - -use cognates and near-cognates
 - -use context and common sense to work out meaning
 - -use headings as a way into a longer text

History

- Slavery
- Bloody Mary
- Reasons WW1 started
- WW1 Vimy Ridge
- Kaiser Wilhelm II

RE

- Beliefs about God
- Pilgrimage
- People who changed the world e.g. Martin Luther King, Gandhi.
- Using animals for food
- Is it Right to Kill? embryo research, conjoined twins, when does life begin, euthanasia, war.
