

Issue 6 July 2016

Farewell Class of 2016!

We celebrated the success of the Class of 2016 with their amazing Leavers' Ball at Packington Moor Farm on June 30th! A fantastic night was had by all as they danced the night away. They all looked absolutely gorgeous (and so grown up) in their suits and gowns! We even had a special guest when former Woodhouse student and now Leicester FC player Mark Albrighton dropped off one of our students in a very swanky Rangerover! Staff also recorded a leavers' video for the Class of 2016 which is on the Academy Facebook page if you fancy a peak! The class of 2016 were such a wonderful year group and we wish them every success for what we know will be brilliantly bright futures!

Enrichment Week 2016!

We had a brilliantly busy Enrichment week with Year 7s heading off to Kibblestone Camp as well as trips to Italy, France and London. Stay tuned for some of the fantastic trips that will be on offer next year!

On the 6th July, Miss Webster and Mr Burns took 26 Triple Science students to the Royal Society Summer Exhibition.

The students experienced first hand some of the up and coming research occurring in the UK. They had first hand experience of robotic surgery; collection of space debris; creating their own universe, predicting volcanos and growing killer fungus!

They also had time to have a look around London, taking in the sights of Trafalgar square, Tower Bridge and Buckingham Palace. The students were a credit to the academy and showed we have many potential future scientists here at the Academy!

Science Trip!

Mrs Lawrence, Mrs Sutton, Mrs Gibson and Mr Hartles took a group of KS3 and KS4 students for an amazing tour of the Amalfi Coast and Rome. Students visited a Limoncello factory, climbed Mount Vesuvius and lots more.

Italy!

Kibblestone Camp for Year 7

Around 100 Year 7 students had a fantastic few days- at what is now known as 'Kibbo Camp' taking part in Archery, Abseiling, Tug of War, Team building and much more. The feedback from the trip has been amazing, so much so that we are looking to make this an annual visit for our Year 7s! Happy Campers all round!

Parisian Adventures!

Miss Fox, Mr Wood, Mr Harper and Miss McNaught took a group of students to Paris! They visited key landmarks, enjoyed a day at Euro Disney and even had time for a chocolate factory visit on the way home! Miss Fox said "Students were absolutely amazing all week and thoroughly embraced the cultural experience. Behaviour was impeccable and we were really proud to take them all along!"

Our annual day of sport was a roaring success with students taking part in Athletics, Capture the Flag, Football Knock out, Tug of War and more! We are always blown away by students want to get involved and support each other! We love the Landau Spirit! What a great way to finish of the Summer Term!

Day of Sport!

Parent Hub- App!

All Parents/Carers should now have received their registration details for the Parent Hub application. We would like to share information with you regarding your child and the Academy via this app. If you have not yet registered and have misplaced your details, please contact Mrs Farley 😊

Battle of the Somme Memorial Service!

On July 1st Students left school at 6.30am with Mrs Clark to attend an event marking the 100th Anniversary of the battle of the Somme. They took part in a whistle blowing ceremony at 7:30am to commemorate whistles being blown along the British trenches on the morning of July 1st 1916 and then worked with the National memorial Arboretum's artist in residence to complete a memorial to these soldiers. Students were filmed by the BBC taking part in this wonderfully respectful ceremony- (click to 29 minutes to see our students looking super smart in their Academy uniforms)

Pssst!

Student Achievements!

We would love to hear more about any student achievements outside of school so that we can celebrate any student success 😊
Please let us know by emailing RWALMSLEY@lfata.org.uk 😊

British Values Mural

Our gifted and talented artists have been working hard, in their free time all year, to create this absolutely fantastic mural in reception that celebrates British Values. Students were asked in personal tutor time to come up with things that they considered to be British (hence the full English Breakfast and the tea and biscuits) as well as considering what words they thought should be included... and here is the final product. We couldn't be more proud of this amazing piece of work! Well done LFATA artists!

TIMES TABLES ROCK STARS!

A massive well done to our top 3 Timestable rock stars who collected their prizes for outstanding performance. Remember if you haven't got involved yet you can log in from home and get in some extra Maths for the summer 😊

1. George Dennis
2. Rebecca Hallam
3. Charlotte Clive
