Dear Parent/Carer

Residential Visits – Enrichment Week

Residential visits are an opportunity for students to experience something new, challenging and exciting. We have a number of proposals for this academic year which are outlined below.

If you would like your child to take part in one of the residential visits please complete and return the attached consent form and appropriate deposit, which is non-refundable except in the event of Academy cancellation, to Reception by **Friday 3 November 2017**. If insufficient numbers of students wish to go then the Academy reserves the right to cancel the visit. If you have any concerns regarding costs for this visit and feel that you may qualify for financial assistance, please contact Mrs S Farley at the Academy in confidence.

If the number of students wishing to go on the visit is in excess of places available, places will be allocated at random on the closing day of the first payment. No cheques will be cashed before places have been allocated.

There will be other day-visits available to take part in during Enrichment Week should your child not wish to go on any of the residential visits. Some of these visits will have a cost associated with them.

Further details of the payment schedule will be confirmed in a letter on receipt of the deposit, and a meeting will be held to provide further information and answer any questions that you may have. However, please feel free to contact the members of staff responsible for each visit at any time should you have an initial query.

Yours sincerely
