Dear Parent/Carer

Year 11 Parents' Evening – Thursday 28 March, 5pm – 8pm

All students in Year 11 are invited, with their parents or carers, to attend a Year 11 Parents' Evening.

As part of this evening, a Trial Results Event will also take place. We know how nerve-wracking GCSE results day can be, so we wanted to take the opportunity to prepare students for this important moment of their lives with this Trial Results Event. As part of this process we have withheld the grading of their recent Trial Examinations in the hope that receiving these grades for the first time with parents/carers next to them, followed up by appointments with their teachers will make for a more meaningful experience.

As well as their full Trial Examination Results, students will also receive their latest tracking report that include our anticipations as to what we think they will achieve in their GCSEs in the summer. These reports are used by 6th Form Centres, Colleges and Apprenticeships as evidence of their predicted grades, therefore attendance to this event is incredibly important.

Senior staff will also be present for any individual queries you may have regarding subjects and/or trial results.

Please confirm your attendance by booking your appointments as usual via <https://lfamington.parentseveningsystem.co.uk>. If you need help booking the appointments please contact the Academy and ask for Sam Farley, who will assist you.

Please note, Year 11 students can only attend this event if they are with a parent/carers.

We look forward to seeing you on Thursday 28 March.

Yours sincerely
