Dear Parent/Carer

Year 11 Parents Information Evening – Thursday 30 January 2020, 6.00pm – 7.00pm

Year 11 is an extremely important year for students and so as a result, all students in Year 11 are invited, along with their parent/carers, to attend a Parents Information Evening to give help and advice about how you can help your child achieve the best grades possible in their GCSE's in the summer. You will be given information from the core subjects of English, Maths and Science about the courses, how to aid revision and any key dates and deadlines.

As part of this evening, students will also receive their mock results which will be done in a way similar to receiving their GCSE results in August. We know how nerve-wracking GCSE results day can be, so we wanted to take the opportunity to prepare students for this important moment in their lives. As part of this process we have withheld the grading of their recent Mock Examinations in the hope that receiving these grades for the first time with parent/carers next to them, will make for a more meaningful experience.

Senior staff will also be present for any individual queries you may have regarding subjects and/or mock results.

Please note, Year 11 students can only attend this event if they are with a parent or carer.

We look forward to seeing you on Thursday 30 January 2020 at 6.00pm.

Yours sincerely
