| wellbeing and to<br>skills and aptitude<br>are increasingly.<br>Guidance (see se<br>settle back into s<br>managing friend<br>Media consumpt<br>physically and er<br>not being able to<br>who may have lo | es - like teamwork, communication, and resilience - that are deparate document) suggest that PSHE/ Pastoral time needs t<br>chool life. Friendship such as re-establishing friendships that h<br>ship issues. Promoting well-being including managing anxiety<br>tion such as how to manage the extensive covid-19 news com<br>motionally, including online. Bereavement, change and loss in<br>the attend funerals, be with family etc. Also, consider the possible<br>post their job or suffered other instances of loss and change.               | iety and unhe<br>crucial to nav<br>o focus on th<br>ave been at<br>y promoting p<br>verage and c<br>ncluding supp<br>bility that some | ealthy relationships. PSHE education also helps pupils to develop<br>igating the challenges and opportunities of the modern world, and<br>e following: Transition including learning routines and skills to help<br>a distance, making new friends (if relevant to the year group) and<br>positive well-being, coping strategies and dealing with change.<br>lifferentiate between facts, rumours and speculation. Staying safe<br>porting pupils to manage grief, either covid-19 related, or related to<br>eone in the class may have lost someone close or have parents |  |  |  |  |
|  | s – at Landau Forte Amington, we want students to be ambiti  |   | · · · · · · · · · · · · · · · · · · ·  |  |  |  |  |
| needs in a rapidl<br>social skills, ment   | Our program will offer a holistic PSHE learning journey spanning the pupils' secondary school career, with a progressive, spiral curriculum that addresses real<br>needs in a rapidly changing world. This program will use a mindful approach to PSHE, bringing together Personal, Social, Health Education, emotional literacy,<br>social skills, mental health and resilience development in a comprehensive scheme of learning. Teaching strategies are varied and are mindful of preferred<br>learning styles and the need for differentiation. |   |  |  |  |  |  |
| Content – what i   | s being covered, ensuring breadth & depth?   | National Cu<br>or Exam Spe  | riculum/Exam Specification - how does the content link to the NC c?  |  |  |  |  |
| What is mindfulne<br>How can we ma<br>Resilience   |  |   | th and Wellbeing stand of the statutory guidance for Sept 2020   |  |  |  |  |

Powerful Knowledge - what powerful knowledge is included in this SoW? Consider what knowledge is it important for our students to know, so that when they leave school they can engage in and lead discussions, with people from the most advantaged backgrounds? About attitudes towards mental health, how to challenge myths and stigma, about daily wellbeing, how to manage emotions, how to develop digital resilience, about unhealthy coping strategies, about healthy coping strategies Implementation GAPS Identification – how are you going to identify the gaps in knowledge/skills? Triage - how are you going to rank order these gaps in knowledge/skills and 'fill' them, in order of importance? Recovery curriculum is based on promoting Health and Wellbeing as a priority NA over other topics. **KEY CONCEPTS Progression** – how will studying these key concepts support progression to the Key Concepts – what are the key concepts being taught? traditional curriculum that has been planned? What is mindfulness Promotion of mental health and wellbeing will form the foundation of all other How can we manage anxiety subjects whilst students adjust to a new normal. Resilience WELLBEING Lockdown – how will students share their experiences of lockdown? **Social and Emotional** – how will student social and emotional health be supported? Prepare for a potential increase in disclosures from those who have Some pupils will need this tailored, pastoral intervention, but all pupils will need a experienced or witnessed trauma or other difficulties during the lockdown, significant amount of support with managing their physical and emotional following PSHE lessons. Use PSHE lessons as part of the strategy to health and relationships as they return to school and beyond. The school reconnect pupils and establish their place within 'bubbles' or 'pods' as curriculum, and regular PSHE lessons must, therefore, play a central part. required. **RE-ESTABLISH** Learning Skills – how are you going to re-establish the skills for learning? **Relationships** – how are you going to re-establish classroom relationships?

| Spend time re-establishing PSHE ground rules and ensuring the classroom is<br>a safe place. Pupils need to feel bonded again as a group, trust their<br>teacher and feel safe in exploring<br>difficult issues | It is important for schools to normalise that it's ok to feel anxious. It can also be<br>useful for pupils to understand that things are changeable; but if they are<br>worried, they can speak to identified key adults in their life (both at school and<br>at home) about how they are feeling. Providing clear, factual information about<br>what changes are occurring and why is important in helping to contain<br>potential anxiety. |  |  |  |  |  |
|--|--|--|--|--|--|--|
| OPP  | OPPORTUNITIES  |  |  |  |  |  |
| <b>Discussion</b> – what are the discussion based opportunities?   | <b>Group</b> – what are the group work based opportunities (while still ensuring social distancing)?   |  |  |  |  |  |
| Discussion opportunities are embedded throughout each lesson.  | Group work will be minimised whilst social distancing is being enforced. When groups a preferable this will be within tables to endure students are not walking around the classroom.  |  |  |  |  |  |
