Dear Parent/Carer

I am pleased to welcome back our wonderful students following the summer break. We arrive back to an academy judged GOOD in all areas by Ofsted in May 2022 and with fantastic exam results for our outgoing Year 11 students. It is a privilege to share that our students secured massively improved GCSE results as compared with 2019, with those students achieving 4+ in English and Maths increasing by 15% and 5+ in English and Maths improving by 11%. These fantastic outcomes reflect the hard work and commitment of our students, teachers and support staff. I am sure you will join me in congratulating them all.

As we continue to build on our positive relationship with our community, we would like to offer our parents and carers to be part of our newly formed Academy Network Group. Our vision is that parents, carers, teachers and support staff will work together for the good of the academy and community on such events as the Amington Fete and other community focused opportunities.

I am pleased to announce the continuation of our parental drop-in sessions that were so successful last year. These drop-in sessions are valuable as it provides the opportunity for parents, carers and members of the community to speak directly with academy staff in order for us to work together to make the academy the best it can be.

We are keen to once again meet with as many of you in person as possible, to continue to build the positive relationships which will benefit all of our students. The dates of the drop-in sessions for the coming term are below:
