YEAR 7

WELCOME

PRIMARY SCHOOL

Practice how to revise.

Remind you that what matters most is your attitude and effort. If those are right then you'll always make it in the end whatever happens.

Be clear on what you need to achieve in the exam and how you can do that.

How did Normanisation change England?

How did William deal with rebellions?

How did William conquer and control England?

GCSE Results. Opportunities to move on to whatever you want to and be successful!

Practice exactly how to approach the exam and build confidence

Why was there a crisis at the end of William's reign?

What was England like before 1066?

How did life change in Nazi Germany?

How did Hitler transform Germany into a dictatorship?

What improvements were made to medicine during the modern period?

How did the Superpowers extend their influence internationally?

What was the 'Second Cold War'?

Why did the Cold War end and the USSR collapse?

Why was Hitler able to rise to power in 1933?

Why was the period 1700-1900 known as the 'scientific revolution'?

Environmental study: Medicine on the Western Front.

What were the early sources of tension between the USA and the USSR?

How and why did the Superpowers decrease Cold War tension?

Why was the period 1918 - 1923 a time of change for Germany?

Why did Germany experience a golden age?

Why was there little progress in Medicine in Medieval

Was the Renaissance a period of progress?

Why was there a Cold War between the USA and the USSR?

What was the Holocaust and why did it happen?

How did the Nazis establish a totalitarian state?

Introduction to GCSE History. What we study and why.
