15th January 2026

Dear Parent/Carer

Year 9 – Parents' Curriculum Pathways Information Afternoon Thursday 29th January (16:00 – 18:30)

I would like to invite you to attend our Year 9 'Curriculum Pathways Information Afternoon' on **Thursday 29th January**, this afternoon will be based in the Academy building.

During this afternoon, you will be provided with important Curriculum Pathways information in the theatre, this information will be repeated three times, the first presentation will take place at 4:20pm and will be repeated at 5:20pm and 6pm. Each presentation will last approximately 20 minutes.

Core subject drop-in sessions will be available in K01 for parents wishing to speak with a member of the Science, Mathematics, or English teams. No appointment is necessary; you can simply pop by to discuss your child's progress or to obtain information regarding the differences in these subjects between Key Stage 3 and Years 10 / 11.

Teachers from all other subjects will be based downstairs and are available for questions about their subjects throughout the afternoon, allowing you to gather information on your child's progress and advice on whether to choose that subject at Key Stage 4.

This year students will be selecting their options via the Student Portal App. If they have not yet signed in for the App, they should do so before the Pathways Information Afternoon ([Student App Sign-in Guide](#)). Parents who use the MyChildAtSchool (MCAS) App can see what option subjects their child has requested. If you have not yet signed up for the App you should do so before the Pathways Information Afternoon ([Parent App Sign-Up Guide](#)).

You can access additional support for both the Student and Parent Apps during the upcoming Year 9 drop-in on Wednesday 21st January 16:00 – 17:00. There will be a further Year 9 drop-in on Wednesday 4th February 16:00-17:00 if you require support completing the Pathways requests on the app.
